

WELCOME TO THE MOUNTAINLAIR

Welcome Mountaineer Maniacs! You've reached the best underground speakeasy in the District of Columbia — where you can cheer on the boys and girls in blue and gold with nary a Pitt Panther in sight. For today's matchup, we have a special selection of craft cocktails for you to enjoy. Each has been given the approval of Coach Huggins (although it was given *after* he had gotten into the liquor cabinet on his own). Dana Holgerson prefers to drink straight whiskey from our select list of offerings that include spirits from Wales, Ireland, Scotland, Kentucky, Pennsylvania, DC, Indiana, Canada and Japan. So sit down, relax and enjoy yourself (but don't look Pac-Man in the eye) and let's burn some mother-fucking couches!

And remember: WIN OR LOSE, WE STILL BOOZE!
